REFERENCE: AUGUST MONTHLY REPORT (07/01/2016 - 07/31/2016)

Dear Ms. Mongeon:

This statement is in response to the Commission's letter dated September 6, 2016 regarding five items.

First, with respect to the non-federal committees listed, our Committee has safeguards in place to ensure these committees used permissible funds for their contributions. After research by the Committee, 2 of the committees have been refunded and will be reflected on the appropriate report. The remainder have come from permissible funds.

Second, regarding a contribution from an LLC (limited liability company), our Committee has safeguards in place to ensure that all contributions are made by eligible contributors only. With respect to the one contribution referenced in your letter, we sought to ascertain whether that LLC was deemed a corporation or partnership for Federal income tax purposes. Having receiving no response to our question, we refunded the contribution, and this will be reflected on the appropriate report.

Third, you requested clarification on contributions that appear to exceed federal limits. 78 of the contributions have been refunded, charged back to the donor's credit card, or reattributed to a spouse and will be disclosed on the appropriate report. With respect to 17 contributions, those were entered incorrectly due to a clerical error, and the report will be amended to reflect the correct election designation, attribution, or contributor name. With respect to 36 contributions, received by the joint fundraising committee (Trump Victory (C00618389)), some contribution amounts represented by memo entries were incorrect and will be corrected on the amended report. Cash on hand is not affected. The remaining 87 contributions came from contributors who had already contributed to the Committee, and additional funds were contributed via a joint fundraising committee (Trump Victory (C00618389)). Any excessive amounts have been returned to that committee for proper reallocation, and will be disclosed on the appropriate report.

Fourth, all contributions received after the primary election (7/21) but designated for the primary election were postmarked on or prior to 7/21, and the Committee has retained documentation in its records evidencing the postmark date.

Fifth, the redesignation memo entry of Ms. Patricia A. Dickey was made in error and does not affect cash on hand. There was no contribution from Ms. Dickey. An amended report will remove that redesignation memo entry. Additionally, the amended report will move any political committees reported on Line 17(a) to Line 17(c).

Please feel free to contact us if you have any further questions.

Sincerely,
Timothy Jost
Treasurer
